Dear Prospective or Renewing Family,

Thank you for your interest in our early childhood programs, Piedmont Global Day School, Piedmont Global Preschool, and Wishview Children's Center. We accept applications continually and your application remains active for one year.

Our early childhood programs strive to maintain a friendly, cohesive school family that includes children with diverse ethnicities, abilities, and cultures. We accept vouchers and employer subsidies. Please fill out a separate application for each child and fully complete each page. As openings develop in our schools, we fill slots by processing applications in the order they were received. We try to maintain a gender balance in each classroom and provide the attendance plan that meets your family's scheduling needs. Our teachers lovingly support each individual child's development through the years. We rejoice to see our 5 and 6 year-old students complete graduation and then transition to elementary school.

The beliefs and practices of our schools are a great match for parents who share the following viewpoints:

- My goals for my child's school experiences are centered on happiness, meaningful relationships, and developing a positive attitude about school.
- I value fun and play-based learning activities that foster creativity, motor skills/coordination, literacy skills, mathematics knowledge, social and emotional skills, and scientific inquiry.
- I am seeking an age appropriate blend of creative free play, hands-on learning experiences, and teacher directed activities. (Our teachers weave academic content into enjoyable activities. Children actively move about our classrooms, they are not drilled, and worksheets are not frequently used.)
- I feel good about my child playing outdoors in all four seasons and sometimes getting messy, wet, sandy, muddy, or paint-covered (clothes and skin).
- If developmental or behavioral concerns arise, I will promptly make myself available for a high level of on-site parent participation to support my child at school. As needed, I will meet and collaborate with teachers and administrators responsively. I am open to access services such as developmental evaluation, additional supervision, and therapeutic early interventions to support my child's needs.
- My family has the time and energy to attend school events and participate in teacher appreciation.
- I share the school's vision for consistency and sustained relationships. I feel comfortable voicing my ideas, concerns, suggestions and plans to the teachers and directors throughout the preschool journey.
- Having reviewed the *Family Handbook* and *Tuition Policy*, I agree to make a long term, year-round commitment to maintain preschool enrollment.
