Piedmont Global Preschool and Wishview Children's Center offer a variety of attendance plans and length-of-day options in order to provide parents with choices for their child's regular, steady pattern of school attendance. Working together, we fit children's schedules together like puzzle pieces to share a great community preschool resource. Drop-in care allows you to purchase an occasional or additional day at school as classroom space permits. You may request a change to your child's attendance plan or length of day by submitting a written request to the director at least two weeks in advance. Classroom placement, move-ups and changes in attendance plans are subject to space availability.

### **Application Fee**

Enrollment applications are openly accepted year-round. An application fee of \$40.00 per family is required for the application(s) to proceed toward enrollment or be placed on the waiting list. We will work actively to place applying children for a period of one year (after which time the application expires and reapplication is necessary).

### **Annual Enrollment & Educational Materials Fee**

The annual enrollment/materials fee is separate and in addition to the application fee. All families with an active enrollment status (including full week, partial week and drop-ins) remit \$100.00 per child upon enrollment and \$100.00 per child again annually each September 1<sup>st</sup>. Students who are newly enrolled in July or August are exempt from repeating the enrollment/materials fee on September 1<sup>st</sup> their first year. A new student's classroom slot may be reserved or held for a maximum of two weeks upon receipt of the application fee and enrollment fee. After two weeks, tuition is required or the slot will be made available to other families. Fees are not refundable.

### **Tuition Payment**

Payment of tuition and fees reserves an ongoing space for your child in their classroom. The amount due and due date remain the same regardless of your child's absences, vacation, illness, weather, transportation problems, adjusted operating hours, school holidays, school closings, or teacher workdays. Missed days may not be made up, swapped or substituted. We are not able to offer a grace period and our payment policies are strictly enforced so that our teachers can be paid on time.

Tuition is charged according to the child's attendance plan, length of day, and which classroom the child is attending at the time of billing (not age). Tuition may be paid weekly or monthly for children who attend 2, 3, or 5 days per week. Tuition is always paid in advance. Drop-in care is an exception as drop-in care is paid in full, daily at the time of arrival.

Weekly payments are due by 5:50pm on Monday or the first business day of the week. Monthly payments are due by 5:50pm on the first business day of the month. Equal *monthly* payments are calculated by multiplying the **weekly fee X 4.33** (the average number of weeks per month). After the first week of enrollment, tuition is due continually. The obligation for continual payment ends after a signed letter of withdrawal, providing at least two weeks' advance notice, is given to the director and the final two weeks have been paid.

All payments are made electronically (except in situations where there is a technology interruption). Payments may be made by debit or credit card, or ACH bank account draft. Enrollment with our payment processing agency may be required for some payment types and convenience fees may apply. Overpayments are not returnable. Tuition and fees are non-refundable.

### **Late Payment Fees**

Tuition payments or fees that are received after the due date will be charged a \$10.00 per day late fee. Children may not attend if there is an outstanding balance two or more days past due unless a written payment agreement has been approved by an administrator.

### **Late Pick-Up Fees**

Children must be picked up and have exited the building by 3:50pm, or 4:50pm, or 5:50pm according to the time designated by your tuition and fees. Exiting the building late will result in a late fee of \$1.00 per minute, per child. Children not picked up by 6:15pm may be brought home by a staff member who will continue efforts to reach a parent or emergency contact person. In the event that a staff member has to leave the school with your child(ren), there is an emergency care charge of \$100.00. All late pick-up fees are due immediately on the day of late pick-up.

### **Tuition and Fee Changes**

Tuition and fees are routinely adjusted every year on January 1<sup>st</sup> following our budget analysis and local market survey. Additional adjustments to tuition and/or fees may be implemented at any time with parents being provided a thirty-day notice. Our goal is to keep tuition and fees affordable for families while providing highly qualified teachers, a progressive curriculum, superior meal services, inspiring classrooms, and a well-maintained facility.

**Prescheduled School Closings** \*If any days falls on a weekend, we will close on the nearest weekday instead.

New Year’s Day	Labor Day
Martin Luther King Jr.’s Birthday (Observed)	One Professional Development Day in September or October or November
One Professional Development Day in February or March	Veteran’s Day
Good Friday	Close at 12:30 the day before Thanksgiving
Easter Monday	Thanksgiving
Memorial Day	The day after Thanksgiving
Juneteenth (June 19 <sup>th</sup> )	Christmas Eve
Independence Day (July 4th)	Christmas Day
The day after Independence Day	The two consecutive days after Christmas

**Unforeseen School Closing**

The policy described in this section applies in the event that the school must close in addition to the days listed in the section entitled “Prescheduled School Closings”. The school reserves the right to close or adjust its hours of operation due to a special school event, inclement weather, emergency, or an urgent situation which affects the safe and reasonable operation of the school (including but not limited to the following examples: power failure, water loss, snow/ice). During weather advisories we will make every effort to announce any closings or changes in operating hours via direct messaging and/or a local television station by 6:30am.

In the event that the school must temporarily adjust its operating hours, or close for a single day, or close for a few days, tuition and fees remain the same.

In the emergency event that the entire school must close for a consecutive period greater than an entire Monday through Friday calendar week plus a sixth day, tuition charges will then be adjusted for the second and subsequent weeks based on the number of days that child care services are available.

**Discounts and Scholarships for Enrolled Families**

- a) Sibling Discount: Families with two or more enrolled siblings receive 10% off school day tuition for the oldest child.
- b) Waiting List Discount: 10% off school day tuition for all enrolled children with official documentation that you are on an agency’s waiting list for assistance with child care costs. Documentation must be renewed periodically.
- c) Scholarships: Our school accepts payment assistance, vouchers and scholarships from churches, employers, Children & Families First, United Way, GTCC, and the Department of Social Services. Limited in-house scholarships are available to help enrolled families manage a crisis.

**PLEASE NOTE**

Discounts may not be combined. Each family may use one discount, one subsidy/voucher, or one scholarship. There are no discounts for extended care or wrap-around care.
